

Belief

[John Mayer](#)

Is there anyone who ever remembers
Changing their mind from the paint on a sign?
Is there anyone who really recalls
Ever breaking record off
For something someone yelled real loud one time?
Oh, everyone believes
In how they think it ought to be
Oh, everyone believes
And they're not going easily

Belief is a beautiful armor
But makes for the heaviest sword
Like punching underwater
You never can hit who you're trying for
Some need the exhibition
And some have to know they tried
It's the chemical weapon
For the war that's raging on inside
Oh, everyone believes
From emptiness to everything
Oh, everyone believes
And no one's going quietly

We're never gonna win the world
We're never gonna stop the war
We're never gonna beat this
If belief is what we're fighting for

You Need To Calm Down

[Taylor Swift](#)

You are somebody that I don't know
But you're takin' shots at me like it's Patrón
And I'm just like, damn, it's 7 AM
Say it in the street, that's a knock-out
But you say it in a Tweet, that's a cop-out
And I'm just like, "Hey, are you okay?"

And I ain't tryna mess with your self-expression
But I've learned a lesson that stressin' and obsessin'
'bout somebody else is no fun
And snakes and stones never broke my bones

You need to calm down, you're being too loud
You need to just stop
Like can you just not
You need to calm down

You are somebody that we don't know
But you're comin' at my friends like a missile
Why are you mad?
When you could be GLAAD? (You could be GLAAD)
Sunshine on the street at the parade
But you would rather be in the dark age
Just makin' that sign must've taken all night

You just need to take several seats and then try to restore the peace
And control your urges to scream about all the people you hate
'Cause shade never made anybody less gay

And we see you over there on the internet
Comparing all the girls who are killing it
But we figured you out
We all know now we all got crowns
You need to calm down
