

# Student Path Survey Directions

First, go to [mystudentpath.com](https://mystudentpath.com)

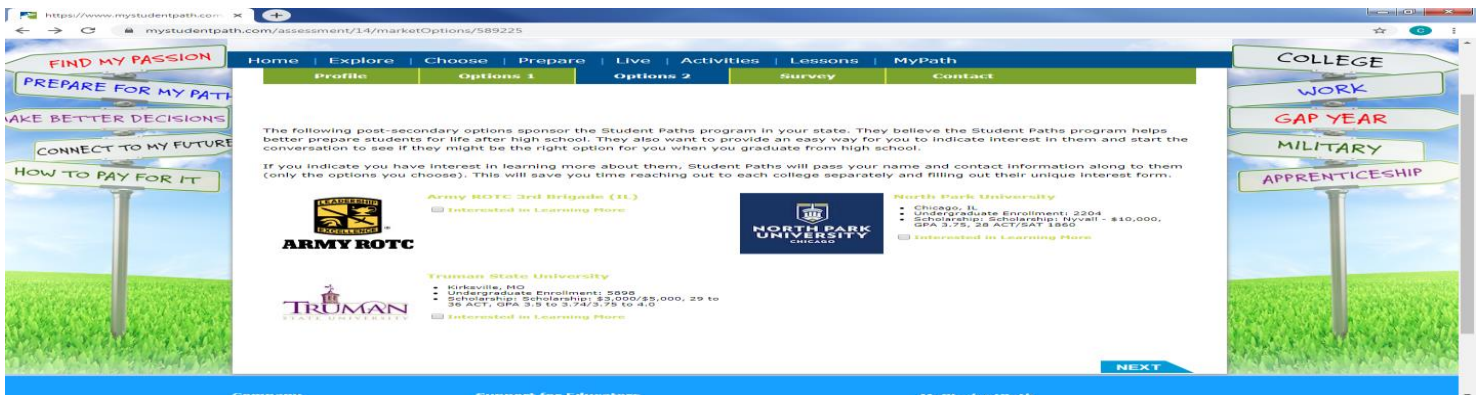

Click on the link “Click here to get started.” This will take you to the initial information page. You will need to complete all of the information on the page. If you do not know, then just choose the answer that is close, or guess your best answer. None of your choices will affect the survey.

## Suggestions:

- Choose an easy username because you will do this again next semester. I would suggest your last name with your id number after it; **for example: Christianson202299.**
- Choose an easy password. I would suggest using **Warrior1**. This is easy and will keep you from having to fill out all of the information in the future.
- Use the school email address. This is your id number @gcsd9.net. An example would be [202299@gcsd9.net](mailto:202299@gcsd9.net).
- Use the school address as your **home address: 3101 Madison Ave, Granite City, 62040.**
- For your phone number, use the schools: **(618) 451-5808.**

Click “next” at the bottom.

Click on the “NEXT” tab for any school in yellow, and then hit next.

(More directions on the other side)

On the next page, you will complete the short response questions:

1. List the specific careers or jobs you think could be a possibility in your life.
2. List at least five of your strengths or skills. Give specific examples of things that you do well.
3. List the goals you would like to accomplish in the next few years of your life.

Click the “Next” tab.
