***NOTES:**

- The order here is dictated by alphabetization. Your docs will show up in A-Z order as titled.
- Which docs have SUB1 & SUB2 on them will vary by student depending on which pieces you submitted for instructor feedback.
- Which docs have VRV and VNew will depend on which ones you choose for detailed viewing (VRV MUST be on one of the SUB# pieces & VNew CAN'T be on one of the SUB# pieces or the IntroLetter).
- ALL pieces (except the letter—which should look like a letter) should be MLA formatted, proofread, include an abstract, and be revised to your satisfaction.
