

## **LETTER 1 – ENGLISH 8**

- Use an informal letter format to share thoughts with Mrs. C & Ms. Walke about you as a person, you as a learner, class so far. What are you looking forward to? What are you worried about?
- Make sure it looks like a letter. Start your letter with “Dear teachers,” or “Mrs. Connolly & Ms. Walke,” and end your letter with an appropriate closing and your name at the bottom.
- **THESE bullet points aren’t an assignment/worksheet to fulfill.** Write the letter you need to write while letting them guide you in an academic and/or personal direction as you need.
- WRITE a senior level letter. What does that mean? Don't slack (and don't make the font big).

### Tech Steps:

1. Open your Dropbox – and go to your DRAFTS folder.
2. Choose CREATE & start a new MSWORD document.
3. Write your letter. Make it good. Reread it to be sure it makes sense.
4. Make sure it *looks like a letter\** & that you shift paragraphs where ideas shift.
5. Title the doc YourlastnameLetter.docx\* (not literally – use YOUR last name, e.g. MartinezLetter.docx). \*Note: the file extension .docx will show up automatically – don't add it. Also, don't delete the file extension or your doc won't open.
6. DO NOT share the document. I already have access to your folders so that is an unnecessary step.

\*Google informal letter format if you don't know what letters look like.
